MILL CREEK

SOUTH COURSE

NORTH COURSE SIGNATURE HOLE #8 The 144-yard 8th hole is a traditional Donald Ross designed Par-3 guarded by three greenside bunkers to avoid from the tee. It's an elevated green with plenty of slope from back to front and staying beneath the flag is a plus. Not an overly hard hole to play, but if you miss the green it's a tough challenge to make a par or scramble for a bogey. It's a great place to springboard a birdie heading into the tough Par-4 finishing 9th hole.

SOUTH COURSE SIGNATURE HOLE #18 The 424-yard Par-4 finishing hole on the South Course offers a true Donald Ross challenge to finish out your round of golf or friendly match. Its tree lined fairways offer plenty of length from tee to green where an accurate tee shot will give you a mid to long iron into the green. The second shot requires an accurate shot to an elevated green guarded by two greenside bunkers. The green offers a variety of slope from back to front so keeping the ball underneath the hole is a huge plus.
