Welcome to the Designated Outdoor Refreshment Area!

YOUNGSTOWN DORA RULES

1. Only alcoholic beverages purchased at a business within DORA boundaries and served in a DORA cup are permitted.
2. Each person with a DORA beverage must have a DORA wristband provided by the restaurant/bar.
3. Other businesses may choose whether to allow DORA beverages inside their establishment.
4. DORA cups are to be recycled/disposed of upon entering another bar/restaurant or non-participating establishment.
5. DORA beverages cannot be taken outside of the DORA boundaries. Watch for DORA signage, and dispose of your cup before leaving the boundary.
6. The DORA is currently only active 4pm-11pm Thursdays & Fridays, and 12pm-11pm on Saturdays, and during special downtown events.*

Active DORA days and/or hours may change in the future, and the city reserves the right to suspend the DORA at any time and for any reason.

Businesses inside DORA boundaries have one of these three stickers on their window or door, indicating their level of involvement (or non-involvement) with the DORA.
